Youth Sunday
August 29

Blessing of the Backpacks

We forgot to announce it last week, but next Sunday, August 22, will be our annual ***Blessing of the Backpacks***, where we celebrate our youth returning to class. Students are encouraged to bring backpacks, school supplies, friends, teachers, etc for this annual event.

Why No Newsletter?

You may be wondering why it has been so long since we have published a newsletter?

Well, the main reason is that no one has given the editor enough timely information to publish. If information is received in a timely and informative fashion, we will be glad to resume this service. Pictures, names, and interesting events are always appreciated.

In the meantime, the church website is always updated with the latest information we have:

Memorial Garden

Markers honoring and/or memorializing members and friends have been added to the Memorial Garden in front of the church. The garden consists of landscaping, walkway, fountain, and memorial markers. A group is being organized to maintain and improve the garden. If you are interested in helping, call the church office.
